

6697 DIXIE HWY., CLARKSTON, MI 48346 – 248-625-5011 – [WWW.CHERRYHILLNORTH.COM](http://WWW.CHERRYHILLNORTH.COM)

To help contain the spread of the corona virus, Cherry Hill North will be closed for 2 weeks, starting March 16<sup>th</sup>. For any further information you can check our website or Facebook page. Thank-you.

A message from Cherry Hill Lanes North:

in response to the nationally declared health emergency Cherry Hill Lanes North has decided to suspend all bowling activities to insure the health and safety of all our bowling guests, our staff, their families and your families.

THE SUSPENSION OF ACTIVITIES WILL BEGIN MONDAY, March 16, 2020 AT 3PM and continue for a two-week period with updates on Monday, March 30, 2020. This is not a cancellation of the season and we will follow schedules and guidelines as set by local and state agencies.

AS A LONG-STANDING FAMILY RUN BUSINESS IN THE CLARKSTON AND SURROUNDING COMMUNITIES with a very large league base this was a very difficult decision to make, unprecedented in our 35-year history in Clarkston. This decision obviously affects our business, our staff members and our leagues, which are trying to finish their seasons, but we feel it's the proper and prudent thing to do.

We thank you for your understanding and patience during this health care crisis. We understand that this decision may be upsetting to some and a relief to others. As always, we thank you for your support of Cherry Hill Lanes North and we wish you and your loved one's happiness and good health.

Jim, Greg and Sue
